

Name : Zhong Dong

Gender: Male

Year Started: 2014

Major: Food Science and Engineering at
College of Chemical Engineering

Hobby: I enjoy traveling around. Every place I have been to impressed me. I have visited both the US and Russia. While experiencing different cultures I do feel that something is the same for all the corners of the world I have seen. In the future I hope to read more books, go to more places, and know more people.
